Interim Edition

Ladies and gentlemen welcome to a slightly shortened edition for July. Though brief it does contain two very important dates for your collective diaries.

The reason for brevity is that I have been overtaken by a family event which has severely curtailed my creative juices and also taken up nearly all of my time since the last edition was sent out.

Rest assured normal services will be resumed at some point, though the next may also be of slightly shorter length than normal. Meantime, please take note of all below.

Cheers

Former Players Lunch

29th October 2016

The RFU has released the League fixtures for 2016-2017. As mentioned last time we have returned to the Midlands Division and will be in Midlands 1 East.

Thus the date for the annual Former Players Lunch has been set and will take place prior to the home fixture with Huntingdon.

Tables of 10 or 12 are available and if you wish to take and fill one please contact Dave Pearson a.s.a.p. at the club on 01525-371322 or contact him via email at buzzardrugbydave@googlemail.com. Alternatively you can bag an individual spot, same routine applies. Cost is £13.00 per head.

Of course we are hoping the take up will be high so book early to avoid disappointment.

If you don't get on a table then please don't write the day off. It has been arranged that the club bar will be serving beer, wine and spirits all afternoon and evening, so please come along at some point.

Johnny Wray's half century

The big man will be reaching his landmark in August and to celebrate he is hosting a shindig at the club on Saturday 27th August.

Judging by his call to arms on Facebook a fair few are travelling from afar to help him celebrate but John would also like to catch up with a good number that are not so far away and who used to wear the blue and white with him over his good few years with LBRFC.

Those of us who have toured with John will testify to the many funny and sometimes surreal moments for which he has been responsible, so please forget duelling with the Bank Holiday traffic and go along to give him the celebration he deserves.

"We're going to a pub that's only got one bar" – Booooooo, "... but it's a mile long!!" – Hooray!!, "There's only one barmaid ..." – Booooooo, "... but she's got enormous tits!!!" – Hooray!!!
